

For those young adults heading for college or university.

This month, over 16 million students will begin college or university in the United States. Now, these individuals can save on long-distance calling thanks to DTI's College Network. The program offers a free Student Connect Calling Card that lets young adults call from any phone, public or private, for only pennies. The Card allows one to make state-to-state calls for only 4.5 cents per minute.

Traveling students? The Student Connect Calling Card is also good for phones in 22 countries around the world, with DTI's international toll-free numbers. College and university students can also take advantage of our online account manager, monthly e-statements, and the toll-free, DTI 24/7 customer service.

Best of all, you don't have to worry about monthly bills. With the DTI Student Connect Calling card, payments are made easier by direct bank or credit card. You can also manage your account online.

For information or to sign up, call now, using the toll-free Customer Service Number, below, or email CustomerSvc@dialthru.com.

STUDENT HOME LINK

Another alternative for children abroad.

Another popular alternative for children in boarding schools or colleges in the USA is DTI's Home Link (TM) service. This is a personal 800 number (international or domestic), that lets students dial a toll-free number from any telephone, insert a PIN Code, and be automatically connected to their family, no matter where they live.

Students love the Home Link service, as do parents. It removes any doubts about who a student is calling, because the PIN is linked specifically to the family's telephone number. It is therefore easy to budget and control. The service can be used from the USA to any country in the world.

Monthly charges are paid directly by the parent or family member, at low, international or domestic rates. Get your Student Home Link number today by calling the customer service number, below, for the country you are in or email CustomerSvc@dialthru.com.

DTI NEWS YOU CAN USE(TM) is provided to customers free of charge as part of their service and support package. We do not sell or reveal to third parties the email addresses of service subscribers.

If you do not wish to receive the latest updates and rate reducing information from DTI, please go to http://www.dialthru.com/mailler/email_remove_form.asp to remove your email from this list.
